

# August 2020 Children's Programs!

Stay safe! Happy reading!

The Monarch butterflies have begun to return to the coast of Maine. They are flying around laying eggs on patches of milkweed across the state. This year, due to Covid-19, we will not be hosting our adopt-a-butterfly program at the library. However, Miss Amy will be following the monarchs and their development on her Lincolnville Farm throughout the months. There will be pictures of all stages and updates on the progress of the wild monarchs here. Stay tuned on our library Facebook page. Miss Amy will share all sorts of Monarch Madness during the month, from stories, crafts etc.

Be sure to check out the cool resources available on our kids page . <https://www.librarycamden.org/kids/cpl-youth-services-home/>
